

特別環境保全区域の確認方法

The screenshot displays the '仙台市 都市計画情報インターネット提供サービス' (Sendai City Urban Planning Information Internet Service) interface. The main map shows various environmental protection zones around the Sendai River (広瀬川) area. A red box highlights the legend for '広瀬川の清流を守る条例' (Ordinance for Protecting the Clear Water of the Hirose River), which includes:

- 水質保全区域 (Water Quality Protection Area) - light blue
- 特別環境保全区域 (Special Environmental Protection Area) - pink/red
- 第一種環境保全区域 (First-Order Environmental Protection Area) - light purple
- 第二種環境保全区域 (Second-Order Environmental Protection Area) - light blue
- 隣接地要確認 (環境保全区域) (Adjacent Land Confirmation (Environmental Protection Area)) - magenta

The map also shows other zones like '下水道処理区域' (Sewerage Treatment Area) and '指定道路図' (Designated Road Map). The current location is set to '仙台区青葉区一番町4丁目 付近' (Near Ichibancho 4-chome, Aoba Ward, Sendai City). The URL at the bottom is https://www2.wagmap.jp/sendai_tokei/Portal.
