

[Our Future In Sendai City] Multi Cultural Disaster Management : OUR FUTURE
Meeting for the disaster documentation project of Sendai City.

* Please note that this meeting will be held as a part of a project of Sendai City and any information including photos taken at the event will be used for the publication of the disaster documentation calculary by Sendai City.

Both Japanese and foreigners are members of the same regional society.
Aiming for multicultural disaster prevention where we can all help one another, we'll think about how we can shape the future.

Main focus

This meeting is held for an earthquake disaster documentation for the foreign people who live in Sendai City. In order to create an at home environment we would like to exchange opinions with foreigners who have experienced the disaster in 2011 and the future of Sendai City. Our main goal is to hear the voice of the foreign citizens living in Sendai City. We would like to invite foreigners who are living in Sendai City to attend this meeting. Your voice and opinion will be appreciated.

Starting time : February 4th, 2014 16:00 ~ 18:00
Place : Café Samarkand
Address : 1-5-2F Kasuga-machi Aoba-Ku, Sendai City
Tel: 022-796-8630
Website : <http://www.sendai-tabicafe.com/english/>

Purpose of the workshop :

- 1) Speech about the disaster management and actions of Sendai City
The disaster management by Sendai City
What actions are needed in communities of Sendai City
What actions are needed by the Japanese people in Sendai City
- 2) Discussion about cultural differences
exchange opinions regarding the cultural differences and understand the differences of Japanese people and Foreign people in Sendai City
- 3) Discussion of what we can do for each other as citizens of Sendai City
In order to understand the importance of the disaster and exchange opinions to create an environment for foreign people to participate in disaster drills held in local areas of Sendai City.

* Please note that this workshop will be attended by Sendai City and any information including photos taken at the event will be used for the publication of the disaster documentation calculary by Sendai City.
